CONSENT FORM (PLEASE PRINT & ENSURE TO COMPLETE SECTION F & G)

In accordance with Canadian and Provincial Privacy Legislation, please review & complete the following items.

E) PATIENT ACKNOWLEDGMENT AND AGREEMENT

I acknowledge and agree to:

- Examination and treatment by the Chiropodist and/or support staff, including various physical, surgical and orthotic therapy.
- Allow photographs of treatment areas to be taken for the purposes of monitoring.
- Allow the Chiropodist to contact my physician for any pertinent information required relating to my treatment or medical information.
- Allow the Chiropodist to send my physician or health care professional a report regarding my foot exam and treatment plan.
- I understand and I am informed that, as in all health care, in the practice of chiropody, there are some very slight risks to treatment including, but not limited to, post-op infections. I do not expect the Chiropodist to be able to anticipate and explain all the risks and complications. I wish to rely on the Chiropodist to exercise judgment during the course of the procedure which the Chiropodist feels at the time, based upon the facts then know, is in my best interests.
- I understand that I am financially responsible for all charges whether covered by my health insurance plan or not, and I understand that service fees are payable at the time service is provided. I understand that Chiropody fees are NOT covered by OHIP, and it is my sole responsibility to review any insurance provider reimbursement plan I may have and submit these claims. I understand not all fees are displayed but would be discussed on an individual basis as needed and determined by; time taken, skill level required, cost of service or product and risk level associated with my treatment plan. I understand LMC and LMC Footcare cannot submit insurance claims on my behalf. I understand and agree all payments and deposits made are non-refundable.

COMMUNICATION CONSENT FORM (E-mail, text message & voicemail)

Patient Name	**Birth Date** (dd/mm/yyyy)

RISK OF USING E-MAIL, TEXT MESSAGE OR VOICEMAIL:

LMC Diabetes & Endocrinology offers patients the opportunity to communicate by e-mail, text message or voicemail. Transmitting patient information by e-mail, text message or voicemail, however, has a number of risks that patients should consider before using e-mail, text message or voicemail. These include, but are not limited to, the following risks:

A. E-mail, text message or voicemail can be circulated, forwarded, and stored in numerous paper and electronic files.
B. E-mail, text message or voicemail can be immediately broadcasted worldwide and be received by many intended and unintended recipients.
C. Senders can easily misaddress an e-mail, text messages or voicemail.
D. E-mail, text message or voicemail are easier to falsify than handwritten or signed documents.
E. Backup copies of e-mail, text message or voicemail may exist even after the sender of the recipient has deleted his or her copy.
F. Employer and on-line services have a right to archive and inspect e-mails or text messages transmitted through their systems.
G. E-mail, text message or voicemail can be intercepted, altered, forwarded, or used without authorization or detection.
H. E-mail, text message or voicemail can be used to introduce viruses into computer systems.
I. E-mail, text message or voicemail can be used as evidence in court.

PATIENT ACKNOWLEDGMENT AND AGREEMENT

I acknowledge and agree that:

- E-mail, text message or voicemail is not a secure or confidential form of communication. As the message leaves LMC, it is sent across the Internet, where it could be intercepted and read. For this reason, LMC cannot guarantee the security of messages that are sent to and by me.

- Specific issues that will not be discussed via e-mail, text message or voicemail include:
  - Information regarding sexually transmitted diseases, AIDS/HIV, mental health, developmental disability, or substance abuse. In addition, the patient is responsible for informing the care provider of any types of information the patient does not want to be sent by e-mail, text message or voicemail.

- E-mail, text message or voicemail will not be used to communicate emergency or urgent health matters, as I understand that:
  - E-mail, text message or voicemail messages can be delayed for both technical reasons and issues relating to the availability of the health practitioner and my condition or the emergency situation cannot be adequately assessed via e-mail, text message or voicemail.

- Clinical decisions about treatment or care may be made on the basis of health information conveyed in e-mail, text message or voicemail.

- Either party may stop communication via e-mail, text message or voicemail at any time if the conditions in this agreement are not adhered to. Notice must be given in writing to the patient or health care provider as applicable, if this form of communication is to stop.
